Explosions by Ellie Goulding

You trembled like you'd seen a ghost

And I gave in

I lack the things you need the most, you said

Where have you been

You wasted all that sweetness to run and hide

I wonder why

I remind you of the days you poured your (1)_____ into

But you never tried

I've loved and I've lost, I've loved and I've lost

On the day you wake up needing somebody

And you've learned

It's (2)_____ to be afraid

But it (3)_____ never be the same

It will (4)_____ be the same

You (5)_____ my soul bleeding in the dark

So you could be king

The rules you set are still untold to me and I've

Lost my faith in everything

The nights you could cope

Your (6)_____ (7)_____ gold

But the mountains will shake

I need to know I can still make explosions

On the day you wake up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same

And as the floods move in

And your body starts to sink

I was the last thing on (8)_____ mind

I know you better than you think

'Cause it's simple, darling

I gave you a warning

Now everything you own

Is (9)_____ from the sky in pieces

So watch them fall with you in slow motion

I pray that you'll find peace of mind

And I'll find you (10)_____ time

I'll love you, another time

And you've learned
