

Fill in the gaps

All I feel now	And watch the world chasing to find us
Is the (1) of the day	Both of us (8) (9) view
I need you with me	If you, fade into me
To push it away	Let go, fall in
When we disappear into each other	Drown in the (10) with me
Our (2) appear and bleed into one	Sinking 'til we start to breathe
Fade into me, (3) into you	Fade into me, fade into you
Two of us melting together	The two of us melting together
Until we become something new	Until we become something new
And we can escape	And we can escape
And watch the world chasing to find us	And watch the world chasing to find us
Both of us hidden (4) view	(Oh) fade into me
If you, (5) into me	Fade into you
Fade into me	The two of us melting together
When I'm broken	Until we become something new
You're the one thing I need	And we can escape
Like an ocean	And watch the world chasing to find us
I feel you crash (6) me	Both of us hidden from view
We disappear into each other	If you
Our (7) appear and bleed into one	Fade into me
Fade into me, fade into you	Fade into me
The two of us melting together	
Until we become something new	
And we can escape
