

This emptiness

Fill in the gaps

My Friends by Red Hot Chili Peppers

My (1) are so depressed	I (7) all of you
I feel the questions of your loneliness	Hurt by the cold
Confide	So (8) and lonely too
'Cause I'll be on your side	When you don't know yourself
You (2) I will, you (3) I will	Imagine me, taught by tragedy
Ex-girlfriend (4) me up	Release is peace
Alone and desperate on the prison phone	I heard a (9) girl
They want to give her seven years	And what she said was something beautifu
For being sad	To give your love no matter what
I (5) all of you	Is what she said
Hurt by the cold	I love all of you
So (6) and lonely too	Hurt by the cold
When you don't know yourself	So hard and lonely too
My friends are so distressed	When you don't know yourself
And standing on the brink of emptiness	
No words I know of to express
