Soul To Squeeze by Red Hot Chili Peppers

I've got a bad disease	I'll (14) my days a breeze
Up from my (1) is (2) I bleed	Then take away my self destruction
Insanity it seems	It's bitter baby and it's (15) sweet
It's got me by my soul to squeeze	A holy rollercoster but I'm on my feet
Well all the (3) from me	Take me to the river, let me on your shore
With all the (4) trees I scream	Well I'll be comin' back baby
The angels in my dreams, yeah	I'll be comin' back for more
It turned to (5) of greed, that's me	(Do do do do dingle zing a dong dong)
Where I go I just don't know	(Ba di ba da (16) (17) cong
I've got to got to gotta take it slow	gone bad)
When I find my peace of mind	I could not forget
I'm gonna give you some of my good time	But I will not endeavor
Today love (6) on me	See my pleasure I must measure
It took (7) my (8) say please	But I won't regret it never
(Oh) let (9) to free	Where I go I just don't know
You gotta let it be, (oh) yeah	I've got to got to gotta take it slow
Where I go I just don't know	When I (18) my peace of mind
I've got to got to gotta take it slow	I'm (19) give you (20) of my good
When I find my peace of mind	time
I'm (11) you some of my	Where I go I (21) don't know
(13) time	I might end up somewhere in Mexico
Yeah	When I (22) my peace of mind
You're so polite indeed	I'm (23) you for the end of time
Well I've got everything I need
