Another Way To Die by Disturbed

Fill in the gaps

	Greed and hunger led to our demise
The indulgence of our lives	A path I can't believe we followed
Has cast a shadow on our world	Black agenda's rooted in a lie
Our devotion to our appetites	Will we (6) in time?
Betrayed us all	Species fall before our very eyes
An apocalyptic plight	A world that they cannot survive in
More destruction will unfold	Left them with another way to die
Mother Earth will show her darker side	Are we dead inside?
And (1) her toll	The time bomb is ticking and no one is listening
It's just another way to die	Our future is fading
There can be another reason why	Is there any hope we'll survive?
You know we (2) have seen it coming	Still, we ravage the world that we love
Consequences we cannot deny	And the millions cry out to be saved
Will be revealed in time	Our endless maniacal appetite
Glaciers melt as we pollute the sky	Left us with another way to die
A sign of devastation coming	It's (7) another way to die
We don't need another way to die	Still, we ravage the world (8) we love
Can we repent in time?	And the millions cry out to be saved
The (3) bomb is ticking and no one is listening	Our endless maniacal appetite
Our future is fading	Left us with another way to die
Is there any hope we'll survive?	It's just (9) way to die
Still, we ravage the world that we love	(Oooh) can we repent in time?
And the (4) cry out to be saved	It's just another way to die
Our endless maniacal appetite	(Oooh) can we (10) in time?
Left us with another way to die	
It's just (5) way to die	
Can we repent in time?
