

We walk

## Fill in the gaps

You (1) alter	Where nothing makes you feel good
You're always you	Where nothing makes you feel good
Everything's breaking	Where (7) makes you feel good
But I don't care	Where nothing makes you feel good
Smash the rest up	Where nothing makes you feel good
Burn it down	Where nothing makes you feel good
Put us in the (2) 'cause we're (3)	Where nothing makes you feel good
ideas	Where nothing makes you feel good
Take (4) edges	We've got the choice if it all goes wrong
They're inside out	We walk
No one will notice	We walk
They're looking elsewhere	If it all goes wrong
We can be honest	We walk
We call it off	We walk
We've got the choice if it all goes wrong	If it all goes wrong
We walk	We walk
We walk	It makes you feel good, it makes you (8) good
We walk	We walk
We walk	When it all goes wrong
You see the (5) in things (6)	We walk
come	It makes you feel good, it makes you feel good
It's how you deal with it when switching off	We walk
Make a decision	Makes me (9) good, nothing makes me feel good
A precondition	It All goes wrong
We've got the choice if it all goes wrong	
We walk	
We walk
