Fill in the gaps

What's it to ya? The track I lace it
It's better than basic
This is my recovery, my comeback, kid
My life, my life
Makes me wanna run away
There's no place to go
No place to go
All the confusion
It's an illusion like a movie
Got nowhere to go
Nowhere to run and hide
No matter how hard I try
While you were sipping your own kool-aid
Getting your buzz heavy
I was in the ****** sheds
Sharpening my machete
Sipping some of (6) juice
Getting my taste buds ready
To wolf down this spaghetti
Or should I say this spaghett-even?
I think you (8) meatballs (9) on just forgetting
Thought he was finished, **********
It's only the beginning
He's buggin' again, he's straight thuggin'
**** who he's offending
He'll rip (10) vocal chords out
And have them ****** plugged in the
******** wall with 3000 volts of electricity
Now take the (11) end, dump them
Then plug them, ****************** in each

One of your eyesockets
