Parallel Universe by Red Hot Chili Peppers

Deep inside of a parallel universe		Christ I'm a sidewinder I'm a
It's getting harder and harder		California king
To tell what came first time		I swear it's everywhere
Under water where (1)	can	It's everything
(2) easily		Psychic (7) are born in your hear
Far away you were (3) in the sea		Entertain
Just like me		A nervous breakthrough that makes us the same
Christ I'm a (4) I'm a		Bless your heart girl
California king		Kill the pressure it's raining on
I swear it's everywhere		Salted cheeks
It's everything		When you hear the (8) song
Staring straight up into the sky		I am with you
(Oh) my my		Christ I'm a sidewinder I'm a
A solar system that fits in (5) eye		California king
Microcosm		I (9) it's everywhere
You could die but you never dead		It's everything
Spider web		Christ I'm a sidewinder I'm a
Take a look at the (6) in your head		California king
Fields of space kid		I swear it's everywhere
Christ I'm a sidewinder I'm a		It's everything
California king		
I swear it's everywhere
