Fill in the gaps

The Sweet Escape by Gwen Stefani

If I could escape I would but,	If I (7) be sweet (sorry boy)
First of all, let me say	I know I've been a real bad girl (I'll try to change)
I must apologize for acting stank & treating you this way	I didn't mean for you to get hurt (whatsoever)
Cause I've been acting (1) sour milk all on the floor	We can make it better
It's your fault you didn't shut the refrigerator	& tell me boy now wouldn't that be sweet? (sweet escape)
Maybe that's the reason I've been acting so cold?	Woohoo, Yeehoo
[Chorus]	Woohoo, Yeehoo (If I could escape)
If I could escape & recreate a place that's my own world	Woohoo, yeehoo (If I could escape)
& I could be your favourite girl (forever), Perfectly together	Woohoo, Yeehoo
Tell me boy now wouldn't that be sweet? (sweet escape)	Cause I've been acting like sour milk all on the floor
If I could be sweet, I know I've been a real bad girl (I'll try to	It's your fault you didn't shut the refrigerator
change)	Maybe that's the reason I've been acting so cold?
I didn't mean for you to get hurt (whatsoever)	[Chorus]
We can make it better, Tell me boy wouldn't (2) be	If I could escape & (8) a place that's my
sweet? (sweet escape)	own world
[Akon]	& I could be your favourite girl (forever), Perfectly together
I (3) to get away, to our sweet escape	& tell me boy now wouldn't that be sweet? (sweet escape)
I want to get away, yeah	If I could be sweet (sorry boy)
[Gwen]	I know I've been a (9) bad girl (I'll try to change)
You (4) me down, I'm at my lowest boiling point	I didn't mean for you to get hurt (whatsoever)
Come help me out, I need to get me out of this joint	We can make it better
Come on let's bounce, counting on you to turn me around	& tell me boy now wouldn't that be sweet? (sweet escape)
Instead of clowning around, let's look for some common	Woohoo, Yeehoo (I wanna get away, get away)
ground	Woohoo, (10) (To our sweet escape)
So baby, times get a little crazy	Woohoo, Yeehoo (I wanna get away)
I've been gettin' a little lazy, waitin' on you to come save me	Woohoo, Yeehoo (Yeah)
I can see that you're angry by the way that you treat me	Woohoo, Yeehoo
Hopefully you don't leave me, (5) you with me	Woohoo, Yeehoo
[Chorus]	
If I could escape & recreate a place that's my own world	
& I could be (6) favourite girl (forever), Perfectly	
together	
& tell me boy now wouldn't that be sweet? (sweet escape)	

- 1. like
- 2. that
