The sailors of the night

Fill in the gaps

Monarchy Of Roses by Red Hot Chili Peppers

The crimson tide is flowing thru	The monarchy of roses
Your fingers as you sleep	The monarchy of roses tonight
The promise of a clean regime	Several of my best friends wear
Are promises we keep	The colors of the crown
Do you like it rough I ask	Mary wants to build it up
And are you up to task	And Sherri wants to tear it all back down girl
The calicos of Pettibon	The savior of your light
Where cultures como to clash	The (6) of roses
Several of my best friends wear	The monarchy of roses
The colors of the crown	Hey, hey
Mary wants to build it up	We all (7) the rose you know
And (1) wants to tear it all back (2)	I said, hey hey
girl	Show us love before you go
The savior of your light	Say I will then say I want to
The monarchy of roses	They (8) knows that I will always haunt you
The monarchy of (3) tonight	Hey, hey
The cross between my former queen	We all want the rose you know
Her legendary stare	I said, hey hey
The (4) tears of Ireland	Show us (9) before you go
A lovely cross to bear	Say I (10) never taunt you
Several of my best friends know	The story knows that I will never taunt you
The secrets of this town	Hey
Mary wants to raise it up	
And (5) wants to spin it all around girl
