## Fill in the gaps

## Monarchy Of Roses by Red Hot Chili Peppers

The crimson tide is flowing thru	The monarchy of roses
Your fingers as you sleep	The monarchy of roses tonight
The promise of a clean regime	Several of my best friends wear
Are promises we keep	The colors of the crown
Do you like it (1) I ask	Mary wants to (8) it up
And are you up to task	And Sherri wants to tear it all back down girl
The calicos of Pettibon	The savior of your light
Where cultures (2) to clash	The monarchy of roses
Several of my best friends wear	The monarchy of roses
The colors of the crown	Hey, hey
Mary wants to (3) it up	We all want the rose you know
And (4) wants to (5) it all back	I said, hey hey
down girl	Show us love (9) you go
The savior of your light	Say I will then say I want to
The (6) of roses	They story knows that I will always haunt you
The monarchy of roses tonight	Hey, hey
The cross between my former queen	We all want the rose you know
Her legendary stare	I said, hey hey
The holy tears of Ireland	Show us love before you go
A lovely cross to bear	Say I will never taunt you
Several of my best friends know	The story knows that I will never taunt you
The secrets of this town	Hey
Mary wants to raise it up	
And Sherri wants to spin it all around girl	
The (7) of the night	

## Fill in the gaps
