

Fill in the gaps

im lost in the light
I pray for the night
To take me, to take you too
After so (1) words
Still nothing's heard
Don't know what we should do
So if (2) could see me now
Let them see you
It was my (3) thrill
When we just stood still
You let me hold your hand 'til I had my fill
Even counting sheep
Don't help me sleep
I (4) toss and turn (5) there beside ya
So if someone (6) help me now
They'd help you too
They'd help you too
See you through
All the (7) things we've all gotta do
'Cause this life is long

So you wouldn't be wrong
Being free, leaving me on my own
And I held my own
Still I rattled your bones
I said some awful (8) and I take them back
If we would try again
Just remember when
Before we were lovers I swear we were friends
So if (9) could see me now
Let (10) see you
Let them see you
See you through
All the hard things we've all gotta do
'Cause this life is long
So you wouldn't be wrong
Being free, leaving me on my own
