

Fill in the gaps

'm (1) in the light	So you wouldn't be wrong
pray for the night	Being free, (12) me on my own
To (2) me, to take you too	
After so many words	And I (13) my own
Still nothing's heard	Still I (14) your bones
Oon't know what we should do	I said (15) (16) things and
So if (3) see me now	(17) (18) back
_et (5) see you	If we (19) try again
t was my greatest thrill	Just remember when
When we just (6) still	Before we (20) lovers I swear we (21)
ou let me hold your hand 'til I had my fill	friends
Even counting sheep	So if (22) (23) see me now
Don't (7) me sleep	Let (24) see you
just toss and turn right there (8) ya	Let (25) see you
So if someone could help me now	See you through
They'd (9) you too	All the hard things we've all gotta do
They'd help you too	'Cause (26) (27) is long
See you through	So you wouldn't be wrong
All the hard things we've all (10) do	Being free, leaving me on my own
Cause this (11) is long
