

Fill in the gaps

I'm lost in the light	
I (1) for the night	
To take me, to take you too	
After so (2) words	
Still nothing's heard	
Don't know what we should do	
So if someone could see me now	
Let them see you	
It was my greatest thrill	
When we just stood still	
You let me hold your hand 'til I had my fill	
Even counting sheep	
Don't help me sleep	
I just toss and turn right there beside ya	
So if someone could (3) me now	N
They'd (4) you too	
They'd help you too	
See you through	
All the hard things we've all gotta do	
'Cause this life is long	

So you wouldn't be wrong
Being free, leaving me on my own
And I held my own
Still I (5) your bones
I said some awful things and I take (6) back
If we would try again
Just remember when
Before we were (7) I swear we were friends
So if someone could see me now
Let them see you
Let them see you
See you through
All the (8) things we've all gotta do
'Cause this life is long
So you wouldn't be wrong
Being free, (9) me on my own
