

Times Like These by Foo Fighters

I .					
I am a one way motorway					
I'm the one that drives away					
Then follows you back home					
I					
I am a street light shining					
I am a wild (1) blinding bright					
Burning off alone					
It's times like these you (2) to (3)					
again					
It's times like these you give and give again					
It's times like these you learn to love again					
It's times like these time and time again					
I					
I am a new day rising					
I'm a brand new sky to hang					
The stars upon tonight					
I					
I am a little divided					
Do I stay or run away
