

## Fill in the gaps

What have we done with innocence	Temper
t disappeared with (1) it never made much sense	Temper
Adolescent resident	One last (4) before I quit
Wasting (2) night on planning my revenge	I never wanted any more than I (5) fit
One in ten	Into my head I still remember
One in ten	Every (6) word you said
One in ten	And all the shit that somehow (7) along
Don't want to be your monkey wrench	(8) it
One more indecent accident	Still there is one (9) that comforts me
'd (3) leave than suffer this	Since I was always caged and now I'm free
'll never be your monkey wrench	Don't (10) to be your monkey wrench
All this time to make amends	One more indecent accident
What do you do when all your enemies are friends?	I'd rather leave than suffer this
Now and then I'll try to bend	I'll never be your monkey wrench
Under pressure wind up snapping in the end	Don't want to be your monkey wrench
One in ten	(Fall in fall out)
One in ten	Don't want to be your monkey wrench
One in ten	(Fall in fall out)
Don't want to be your monkey wrench	Don't want to be your monkey wrench
One more indecent accident	(Fall in fall out)
'd rather leave than suffer this	Don't want to be your monkey wrench
'll never be your monkey wrench
