It doesn't matter much to me

Fill in the gaps

A Matter Of Time (Live) by Foo Fighters

Let's change the subject to someone else	It doesn't matter much to you
You know, lately I've been subject to change	(Uh)
Normally I reel in the strange	It doesn't matter (5) to me
Hangover, I'm older	It doesn't matter much to you
You're one to talk, your heart is a clock	It's just a (6) of time
Just like a bomb it (1) on tikin' away	Before, before
Counting down to detonate	It's just a matter of time.
You will need an army to summon me	Before, before
It doesn't matter much to me	And though I hate to rewind
It doesn't matter much to you	Before, before
(Uh)	It's just a matter of time
It doesn't matter much to me	Where the hell were you?
It doesn't matter much to you	(Uh)
It's just a matter of time	Where the hell were you?
Before, before	(Uh)
It's just a (2) of time	Where the hell were
Before, before	It's just a matter of time
And though I hate to rewind	Before, before
Before, before	It's just a (7) of time
It's just a matter of time	Before, before
My past is getting us nowhere fast	And (8) I (9) to rewind
I was never one for taking things slow	Before, before
Nowhere seems (3) somewhere to go	It's just a matter of time
Come over, and over	What does it matter now?
Doing my (4) for line after line	What does it matter now?
When will I learn to sing these crimes to myself?	What does it matter now?
Prisoners to share a cell with	What does it matter now?
I'm holding, still holding	It's just a matter
Holding you in
