

If I called you lately

Fill in the gaps

On the corner		I (7) be your man
Into my car		(Woah woah)
I drive forever		(Woah woah)
And (1) get far		Shut it down
The 45 is slowly getting loaded Send another song to my star California mountains in the morning Stitch it up		Now look in my eyes
		Knock 'em dead
		A covered in flies
		The big sleep
Get it off		Without A bed of roses
All (2) the woman's got a w	rarning	A light of day
Stitch it up Get it off We all walked your pavement Get it off Take more than your (Woah woah) (Woah woah)		Will never tell lies
		Fall along the woman's got a warning
		Stitch it up
		Get it off
		California (8) in the morning
		Stitch it up
		Get it off
A pendulum inside of my head		We all walked your pavement
Swinging low I hope to get hit		Take more than your faith
The overflow is slowly adding up		If I called you lately
Another drop (3) (4)	fix it	I could be your man
California mountains in the morning		I could be your greatness
Get along		If I called you lately
Get it off		I could be your man
All along the woman's got a warning		On the river
Stitch it up		Into my dock
Get it off		I paddle through
We all walked your pavement		The shadow and fog
Get it off		To ponder all of those
Take more than your		That came (9) me
Faith		Another piece for
If I called you lately		Building my arch
I (5) be your man		
I (6) be your greatness
