## Fortune Faded by Red Hot Chili Peppers

They say in chess, you gotta kill the queen	You saw it all come down
And then you mate it	And now it's time to imitate it
(Oh) I, do you	Hey now, every time I lose
A funny thing, the king who gets himself assassinated	Attitude
Hey now, every time I lose	So divine, hell of an elevator
Attitude	All the while my fortune faded
You (1) a town by storm	Nevermind the consequences of the crime this time
The mess you made was nominated	My fortune faded
(Oh) I, do you	Come on God, do I seem bulletproof?
Now put away your welcome	So divine, hell of an elevator
Soon you'll find you've (2) it	All the while my fortune faded
Hey now, every time I lose	Nevermind the consequences of the crime this time
Attitude	My fortune faded
So divine, hell of an elevator	So divine, hell of an elevator
All the while my fortune faded	All the while my fortune faded
Nevermind the consequences of the (3) this time	Nevermind the (5) of the crime
My fortune faded	this time
The medicated (4) of mind you find is overrated	My (6) faded
(Oh) I
