Fortune Faded by Red Hot Chili Peppers

They say in chess, you gotta (1) the queen	You saw it all come down
And (2) you mate it	And now it's time to imitate it
(Oh) I, do you	Hey now, every time I lose
A (3) thing, the king who (4) himself	Attitude
assassinated	So divine, (16) of an elevator
Hey now, (5) I lose	All the (17) my (18) faded
Attitude	Nevermind the consequences of the crime this time
You took a town by storm	My fortune faded
The mess you made was nominated	Come on God, do I seem bulletproof?
(Oh) I, do you	So divine, hell of an elevator
Now put (7) (8) welcome	All the while my (19) faded
Soon you'll find you've overstayed it	Nevermind the consequences of the crime this time
Hey now, (9) time I lose	My fortune faded
Attitude	So divine, (20) of an elevator
So divine, (10) of an elevator	All the while my (21) faded
All the while my (11) faded	Nevermind the (22) of the
Nevermind the (12) of the	crime (23) time
crime (13) time	My fortune faded
My fortune faded	
The medicated (14) of mind you (15)	
is overrated	
(Oh) I	
Do you
