

Do you

Fill in the gaps

Fortune Faded by Red Hot Chili Peppers

They say in chess, you gotta kill the queen		You saw it all come down		
And then you mate it		And now it's (5) to imitate it		
(Oh) I, do you		Hey now, every time I lose		
A (1) thing, the king w	ho gets himself	Attitude		
assassinated		So divine, hell of an elevator		
Hey now, (2) time I lose		All the while my fortune faded		
Attitude		Nevermind the consequences of the crime (6)	time	
You took a town by storm The mess you made was nominated		My fortune faded		
		Come on God, do I seem bulletproof?		
(Oh) I, do you		So divine, (7) of an elevator		
Now put away your welcome		All the while my fortune faded		
Soon you'll find you've overstayed it		Nevermind the (8)	of the crime	
Hey now, every time I lose		this time		
Attitude		My fortune faded		
So divine, hell of an elevator		So divine, hell of an elevator		
All the (3) my fortune faded		All the while my fortune faded		
Nevermind the (4)	of the crime	Nevermind the consequences of the (9)	this time	
this time		My fortune faded		
My fortune faded				
The medicated state of mind you find is over	rated
