

## Fill in the gaps

I got dosed by you	This is the way I (3) it would be with
Closer than most to you	you
What am I supposed to do	Lay on, lay on, lay on
Take it away I never had it anyway	Lay on, lay on, lay on
Take it away and everything will be okay	Way upon the mountain where she died
In you a star is born	All I ever wanted was your life
You cut a perfect form	Deep inside the (5) I can't hide
Someone forever warm	All I ever wanted was your life
Lay on, lay on, lay on	I got dosed by you
Lay on, lay on, lay on	Closer than most to you
Way upon the mountain (1) she died	What am I supposed to do
All I ever wanted was (2) life	Take it away I never had it anyway
Deep inside the canyon I can't hide	Take it away and (6) will be okay
All I ever wanted was your life	Way upon the (7) where she died
Show love with no remorse	All I ever wanted was your life
Climb onto your seahorse	Deep inside the canyon I can't hide
This ride is right on course	All I ever wanted was (8) life
