Fill in the gaps

Stan (Live) by Eminem & Elton John Dear Slim

Dear Slim
I wrote you but you still ain't callin'
I left my cell, my pager
And my home phone at the bottom
I sent two letters back in autumn
You must not have got 'em
It probably was a problem
At the (1) office or somethin'
Sometimes I scribble addresses
Too sloppy when I jot 'em
But anyways eff it
What's been up man, how's your daughter?
My girlfriend's pregnant too
I'm out to be a father
If I have a daughter, guess what I'm a call her?
I'm a name her Bonnie
I read about your (2) Ronnie too, I'm sorry
I had a friend kill himself over some bitch
I had a friend kill himself over some bitch Who didn't want him
Who didn't want him
Who didn't want him I know you probably hear this everyday
Who didn't want him I know you probably hear this everyday But I'm your biggest fan
Who didn't want him I know you probably hear this everyday But I'm your biggest fan I even got the underground stuff
Who didn't want him I know you probably hear this everyday But I'm your biggest fan I even got the underground stuff That you did (3) Skam
Who didn't want him I know you probably hear this everyday But I'm your biggest fan I even got the underground stuff That you did (3) Skam I got a (4) full of your posters
Who didn't want him I know you probably hear this everyday But I'm your biggest fan I even got the underground stuff That you did (3) Skam I got a (4) full of your posters And your pictures man
Who didn't want him I know you probably hear this everyday But I'm your biggest fan I even got the underground stuff That you did (3) Skam I got a (4) full of your posters And your pictures man I like the stuff you did with Ruckus too

Truly yours, your biggest fan
This is Stan
My tea's gone cold I'm wondering why?
I got out of bed at all
The morning rain clouds up my window
And I can't see at all
And even if I could it'd all be gray
But your picture on my wall
It reminds me that it's not so bad
Not so bad
Dear Slim, you still ain't called or wrote
I hope you have the chance, I ain't mad
I just think it's messed up, you don't answer fans
If you didn't want to talk to me
Outside the concert you didn't have to
But you could've signed an autograph for Matthew
That's my little brother man
He's only 6 years old
We waited in the blistering cold for you
For 4 hours and you just said "no"
That's pretty crummy man
You're like his favourite idol
He wants to be just like you man
He (5) you more than I do
I ain't that mad though I just don't (6) bein' lied to
Remember (7) we met in Denver
You said if I (8) to you, you would write back
See I'm just like you in a way
I (9) knew my (10) neither

He used to always cheat on my mom and beat her

Dear Mister, I'm too good to call or write my fans

This'll be the last package I ever send your ass

It's been six months and still no word

I don't deserve it?

I know you got my last two letters

I wrote the addresses on 'em perfect

So this is my cassette I'm sending you

I hope you hear it

I'm in the car right now

I'm (20)_____ 90 on the freeway

Hey Slim, I drink a fifth of vodka

Ya dare me to drive?

'From the air in the night'

About that guy who could have saved

That other guy (21)_____ drowning?

But didn't, then (22)_____ saw it all

Then at his show he found him

That's kinda how this is

You could have rescued me from drowning

Now it's too late

I'm on a thousand downers, now I'm drowsy

And all I wanted was a lousy letter or a call

I hope you know

I ripped all your pictures off the wall

I loved you Slim, we could have been together

Think about it, you ruined it now

I hope you can't sleep and you dream about it

And when you dream, I hope you can't sleep
