

Fill in the gaps

While Your Lips Are Still Red by Nightwish

Sweet little words made for silence	Kiss, (15) your lips are still red
Not talk	While he's still (16) rest
Young (1) for love	While bosom is still untouched, unveiled
Not heartache	Hold another hand
Dark hair for catching the wind	While the hand's still without a tool
Not to veil the sight of a cold world	Drown (17) (18) while they're still blind
Kiss, while (2) lips are (3) red	Love while the night still (19) the
While he's still silent rest	(20) dawn
While (4) is still untouched, unveiled	(Oh)
Hold (5) hand	Kiss, (21) your lips are still red
While the hand's still (6) a tool	While he's still (22) rest
Drown into eyes (7) they're (8)	While (23) is still untouched, unveiled
blind	Hold another hand
Love (9) the night still hides the withering dawn	While the hand's still without a tool
First day of (10) never comes back	Drown into eyes while they're (24) blind
A passionate hour's (11) a (12)	Love while the night still hides the (25)
one	dawn
The violin, the poet's hand	
Every (13) heart plays your	
(14) with care
