Waking up to find another day	& nothing less cause
The moon got lost again last night	You (13) I give you all of me
But now the sun has finally had its say	I give you everything that I am
I guess I feel alright	I'm handin' over everything (14) I've got
But it hurts when I think	Cause I wanna have a really true love
When I let it sink in	Don't (15) wanna have to go & give you up
It's all (1) me	Stay up till Four In The Morning & the tears are pouring
I'm (2) (3) in the dark	& I (16) to make it (17) the fight
I'm watching you sleep, it hurts a lot	What have we been doing for all (18) time?
& all I (4) is	Baby if we're gonna do it, come on do it right
You've got to give me everything	Oh please, you know what I need
Nothing less cause	Save all (19) (20) up for me
You know I (5) you all of me	We can't (21) the love
I give you everything that I am	Give me everything that you have
I'm handin' over everything (6) I've got	& all I know is
Cause I wanna have a (7) true love	You got to give me everything
Don't ever wanna have to go & give you up	& nothing (22) cause
Stay up till (8) In The Morning & the tears are	You know I give you all of me
