(I Just) Died In Your Arms by Cutting Crew

(Oh I)	One too many times
I (1) died in your arms tonight	(Oh I)
It must (2) been something you said	I just (16) in your arms tonight
I just died in your (3) tonight	It must have (17) something you said
I keep looking for (4) I can't get	I just died in your (18) tonight
Broken hearts, they're all around me	(Oh I)
And I don't see an easier way to get out of this	I just died in your arms tonight
Her diary sits by the bedside table	It must have been some kind of kiss
The (5) are closed	I should have walked away
The cat's in the cradle	I (19) have walked away
Who would have thought that a boy like me	It was a (20) hot night
Could come to this?	She made it easy
(Oh I)	She made it feel right
I just died in (6) arms tonight	But now it's over
It must (7) (8) something you said	The moment has gone
I just died in your arms tonight	I (21) my hands to my head
(Oh I)	I know I was wrong
I just (9) in your (10) tonight	(Oh I)
It must (11) been (12) kind of kiss	I just (22) in your arms tonight
I should have walked away	It (23) have been something you said
I should have walked away	I just died in (24) arms tonight
Is there any just cause for (13)	(Oh I)
(14) this?	I just died in (25) arms tonight
On the surface I'm a name on a list	It (26) have (27) some kind of kis
I try to be discreet	I should have walked away
But then (15) it again	I should have walked away
I've lost and found it's my final mistake	
She's loving by proxy	
No give and all take
