(I Just) Died In Your Arms by Cutting Crew

(Oh I)

I just died in your arms tonight

It must have been something you said

I just died in your arms tonight...

I keep looking for something I can't get

Broken hearts, they're all around me

And I don't see an easier way to get out of this

Her diary sits by the bedside table

The curtains are closed

The cat's in the cradle

Who would have thought (1)_____ a boy like me

Could come to this?

(Oh I)

I just died in your arms tonight

It must have been something you said

I just died in your arms tonight

(Oh I)

I just died in your arms tonight

It must have been some kind of kiss

I (2)_____ have (3)_____ away

I should have walked away

Is there any just cause for feeling like this?

On the surface I'm a name on a list

I try to be discreet

But then blow it again

I've lost and found it's my (4)_____ mistake

She's loving by proxy

No give and all take

'Cause I've been thrilled to fantasy

One too many times

(Oh I)

I just died in your (5)_____ tonight

It must have (6)_____ something you said

I just died in your arms tonight

(Oh I)

I just died in your arms tonight

It must have been some kind of kiss

I should have walked away

I should have walked away

It was a long hot night

She made it easy

She made it feel right

But now it's over

The moment has gone

I followed my hands to my head

I (7)_____ I was wrong

(Oh I)

I just died in your arms tonight

It must have been something you said

I just died in your arms tonight

(Oh I)

I just died in (8)_____ arms tonight

It must have been some kind of kiss

I (9)_____ (10)_____ walked away

I should have walked away
