(I Just) Died In Your Arms by Cutting Crew

(Oh I)	One too many times
I just died in your arms tonight	(Oh I)
It must have been something you said	I just died in your (5) tonight
I just died in your arms tonight	It must have (6) something you said
I keep looking for something I can't get	I just died in your arms tonight
Broken hearts, they're all around me	(Oh I)
And I don't see an easier way to get out of this	I just died in your arms tonight
Her diary sits by the bedside table	It must have been some kind of kiss
The curtains are closed	I should have walked away
The cat's in the cradle	I should have walked away
Who would have thought (1) a boy like me	It was a long hot night
Could come to this?	She made it easy
(Oh I)	She made it feel right
I just died in your arms tonight	But now it's over
It must have been something you said	The moment has gone
I just died in your arms tonight	I followed my hands to my head
(Oh I)	I (7) I was wrong
I just died in your arms tonight	(Oh I)
It must have been some kind of kiss	I just died in your arms tonight
I (2) have (3) away	It must have been something you said
I should have walked away	I just died in your arms tonight
Is there any just cause for feeling like this?	(Oh I)
On the surface I'm a name on a list	I just died in (8) arms tonight
I try to be discreet	It must have been some kind of kiss
But then blow it again	I (9) (10) walked away
I've lost and found it's my (4) mistake	I should have walked away
She's loving by proxy
