

## Fill in the gaps

Hey Lucy, I remember your name	I never wanted anything so bad
I left a dozen roses on your grave today	Here we are
I'm in the (1) on my knees, wipe the leaves	For a brand new start
away	Living the (14) (15) we could've had
I just came to talk for a while	Me and (16) walking hand in hand
I got some things I need to say	Me and Lucy never wanna end
Now that it's over	Just another (17) in your eyes
I just wanna hold her	I'll see you in another life
I'd give up all the world to see	In heaven where we (18) say goodbye
That little piece of heaven looking back at me	Now that it's over
Now that it's over	l just (19) hold her
I just (2) (3) her	I'd give up all the (20) to see
I've gotta (4) with the (5) I made	That little piece of heaven looking back at me
And I can't live with myself today	Now that it's over
Hey Lucy, I (6)(7)	I just wanna hold her
birthday	I've gotta (21) (22) the choices I made
They said it'd bring some (8) to say your	And I can't (23) with myself today
name	Here we are, now you're in my arms
(To say your name)	Here we are for a brand new start
I know I'd do it all different if I had the chance	Got to (24) (25) the choices I've made
(The chance)	And I can't live with myself today
But all I got are these roses to give	Me and Lucy (26) (27) in hand
And they can't help me make amends	Me and Lucy never wanna end
Now that it's over	Got to live with the (28) I've made
I just wanna hold her	And I can't live with myself
I'd give up all the world to see	Today
That little (9) of (10) looking	Hey Lucy, I remember your name
(11) at me	
Now that it's over	
I just wanna hold her	
I've gotta (12) with the choices I made	
And I can't (13) with myself today	
Here we are	
Now you're in my arms
