

The nightmare's just begun

## Fill in the gaps

The secret side of me		I (5)	_ confess	that I feel like a	monster
never let you see		I feel it deep within			
keep it caged but I can't control it		It's just beneath the skin			
So stay away from me		I must confess that I feel like a monster			
The (1) is ugly		I, I (6) like a monster			
feel the rage and I just can't hold it		I, I (7) like a monster			
t's scratching on the walls		It's hiding in the dark			
n the closet, in the halls		It's teeth are razor sharp			
t comes awake and I can't control it		There's no escape for me			
Hiding under the bed		It wants my soul, it wants my heart			
n my body, in my head		No one can hear me scream			
Why won't (2)	come and save me from	Maybe it's (8)	)	a dream	
his		Maybe it's inside of me			
Make it end?		Stop this monster			
feel it deep within	I feel it deep within				
t's just beneath the skin		It's just beneath the skin			
(3) confess that I feel like a monster		I must confess that I feel (9) a monster			
hate what I've become		I hate what I've become			
The nightmare's just begun		The nightmare's just begun			
must confess that I feel like a monster		I must confess that I feel like a monster			
, I feel like a monster		I feel it deep within			
, I feel like a monster		It's just (10) the skin			
My secret side I keep		I must confess that I feel like a monster			
Hide under lock and key		I've gotta lose control			
keep it caged but I can't control it		Here's something radical			
Cause if I let him out		I must confess that I feel like a monster			
He'll tear me up, break me down		I, I feel like a monster			
Why won't somebody come and (4) me from this		I, I feel like a monster			
Make it end		I, I feel like a monster			
feel it deep within		I, I feel like a monster			
t's just beneath the skin					
must confess that I feel like a mon-	ster				
hate what I've become
