

## Fill in the gaps

Let's (1) a game my dear, you	To unfold
Read my mind	Under the influence of wine and jazz
While I try to figure out	I will say I love you
What's inside	Then you
Under the influence of wine and jazz	You will believe me though
I will say I (2) you	One day
So you, you (3) believe me though	I am feeling fine
One day	But then the next I'm feeling down
I am feeling fine	And I don't think that you have ever known me well
Oh, the next I'm feeling down	Or listened to those words I sang
And I don't (4) that you have ever	They were about you
(5) me well	And I don't think that you (9) ever felt this way
Or listened to the songs I sang	Or listened to those (10) I sang
They were honest	They were about you
And I don't think that you have ever felt this way	One day
Or listened to (6) words I sang	I am feeling fine
They were about you	So the next I'm feeling down
About you	I'm feeling down
You	I'm feeling down
You	I'm feeling fine
You	
My eyes have danced with (7) a	
(8) times	
Waiting for the silent dawn
