

Waiting for the silent dawn

Fill in the gaps

Let's play a game my dear, you	To unfold
Read my mind	Under the (4) of wine and jazz
While I try to figure out	I will say I love you
What's inside	Then you
Under the influence of (1) and jazz	You will believe me though
I will say I love you	One day
So you, you will believe me though	I am feeling fine
One day	But then the (5) I'm feeling down
I am feeling fine	And I don't think (6) you have ever (7)
Oh, the (2) I'm feeling down	me well
And I don't think that you (3) ever known me well	Or listened to those words I sang
Or listened to the songs I sang	They were (8) you
They were honest	And I don't (9) that you have ever felt this way
And I don't think that you have ever felt this way	Or listened to those words I sang
Or listened to those words I sang	They were about you
They were about you	One day
About you	I am feeling fine
You	So the next I'm feeling down
You	I'm feeling down
You	I'm feeling down
My eyes have danced with yours a million times	I'm feeling fine
