

Fill in the gaps

(Memories, memories)		All of my memories (5) you near
In this (1)	you tried	In silence moments
Not leaving me alone behind		Imagine you here
There's no other way		All of my (6) keep you nea
I prayed to the gods, let him stay		Your silent whispers
The memories ease the pain inside		Silent tears
Now I (2) why		Together in all these memories
All of my memories keep you near		I see your smile
In silence moments		All the memories I hold dear
Imagine you here		Darling you (7) I will love you
All of my (3)	keep you near	Till the end of time
Your silent whispers		All of my memories keep you near
Silent tears		In silence moments
Made me promise I'd try		Imagine you here
To find my way back in this life		All of my memories (8) you near
I hope (4)	is a way	Your silent whispers
To give me a sign you're okay		Silent tears
Reminds me again		All of my memories
It's worth it all
