Let's head for hell tonight	When we leave
You and I	We won't leave here peacefully
No (1) in here can hold us down	Ash to ash, dust to lust
We'll ride free	Through other's blood, we'll never rust
We wait patiently	Forevermore as our love will sore
Break the walls, smoking gun	We are the darkest angels from the heavens above
Across the border unchained, unbound	The (7) coming from the fires below
We ride free	And we won't die old, blessed by our broken homes
We kill instantly	Shotgun romance, all natural born
Ash to ash, dust to lust	Show no mercy, slay them all
Through other's blood, we'll never rust	One kill, two souls
Forevermore as our (2) will sore	(Oh) our hearts of cold
We are the darkest angels from the heavens above	Hearts of cold
The outlaws coming from the (3) below	Slay them all
And we won't die old, blessed by our broken homes	Cold
Shotgun romance, all natural born	The (8) (9) from the
Show no mercy, (4) them all	heavens above
One kill, two souls	The outlaws coming from the (10) below
(Oh) our hearts of cold	And we won't die old, blessed by our broken homes
Hearts of cold	Shotgun romance, all natural born
Scar this town, crown the crime	Show no mercy, slay them all
Baby, we'll make headnews tonight	One kill, two souls
We're set free	(Oh) our hearts of cold
We run famously	Hearts of cold
Through endless miles, (5) 'til dawn	Cold
It (6) end today, but we made it far
