

Fill in the gaps

You're too far to (1) me close	You keep on aiming for the top
Too high to see below	And quit before you sweat a drop
Just hangin' on your (2) dose	Feed your empty brain
I know you never needed anyone	(With your hydroponic pot)
(But the rolling papers for your grass)	I bet you'll find (16) you
How can you give what you don't have	'Cause there's a foot for every shoe
You keep on aiming for the top	I wish you (18) but I've other things to do
And quit before you (3) a drop	I'll leave again 'cause I've been waiting in vain
I (4) your (5) brain	But you're so in love with yourself
(With your hydroponic pot)	If I say my heart is sore
I bet you'll find someone like you	Sounds like a (19) metaphor
'Cause there's a foot for every shoe	So I won't repeat it no more
And now I (6) you luck	I'll leave again 'cause I've (20) waiting in vain
But I've other (7) to do	But you're so in love, so in (21) (22)
I'll leave again 'cause I've been (8) in vain	yourself
You're so in love (9) yourself	If I say my heart is sore
If I say my (10) is sore	Sounds like a cheap metaphor
Sounds (11) a (12) metaphor	So I won't repeat it no more
I won't repeat it no, no more	I'll leave again 'cause I've (23) waiting in vain
Rather eat my soup with a fork	But you're so in love, so in love (24) yourself
Or drive a cab in New York	If I say my (25) is sore
'Cause to (13) to you is harder work	Sounds like a cheap metaphor
What's the point of (14) all my words	So I won't repeat it no more
If it's (15) the same or even worse	
Than reading poems to a horse (ah)
