Rehab by Rihanna & Justin Timberlake

Baby baby

When we first met, I never felt something so strong

You were like my lover and my best friend

All wrapped into one with a (1)_____ on it

And all of a sudden, when you left

I didn't know how to follow

It's like a shot that spun me around

And now my heart's dead

I feel so empty and hollow

And I'll (2)_____ give myself to another

The way I gave it to ya

Don't even recognize the ways you hurt me, do ya?

It's gonna take a miracle to bring me back

And you are the one to blame

And now I feel like (ooh!)

You're the reason why I'm thinking

I don't wanna smoke on (3)_____ cigarettes no more

I guess that's what I get for (4)_____ thinking

Should've never let you enter my door

Next (5)_____ you wanna go on and leave

I should (6)_____ let you go on and do it...

'Cause now I'm using like I bleed

It's like I checked into rehab

And baby, you're my disease

It's like I checked into rehab

Baby, you're my disease

I gotta check into rehab

'Cause baby you're my disease

I've gotta check into rehab

'Cause baby you're my disease

Damn, ain't it crazy when you're love-swept

You'd do anything for the one you love

Cause anytime that you needed me, I'd be there

It's like you were my (7)_____ drug

The only problem was that you was using me

In a (8)_____ way that I was using you

But now (9)_____ I know that it's not meant to be

You (10)_____ go, I gotta (11)_____

(12)_____ off of you

And I'll never give myself to another

The way I gave it to ya

Don't even recognize the ways you hurt me, do ya?

It's (13)_____ take a miracle to bring me back

And you are the one to blame

'Cause now I feel like (ooh!)

You're the reason why I'm thinking

I don't wanna smoke on these (14)_____

no more

I guess this is what I get for wishful thinking

Should've (15)_____ let you enter my door

Next time you wanna go on and leave

I (16)_____ just let you go on and do it

Now I'm using like I bleed (now I'm using like I bleed)

It's like I checked into rehab

And baby, you're my disease (you're my disease)

And baby, you're my disease

'Cause (18)_____ you're my disease (you're my disease)
