The way I gave it to ya

Fill in the gaps

Rehab by Rihanna & Justin Timberlake

Baby baby	Don't (2) recognize the ways you hurt me, do ya?
When we first met, I never felt something so strong	It's gonna take a miracle to bring me back
You were like my lover and my best friend	And you are the one to blame
All wrapped into one with a ribbon on it	'Cause now I feel like (ooh!)
And all of a sudden, when you left	You're the reason why I'm thinking
I didn't know how to follow	I don't wanna smoke on these cigarettes no more
It's like a shot that spun me around	I guess this is what I get for wishful thinking
And now my heart's dead	Should've never let you enter my door
I feel so empty and hollow	Next time you wanna go on and leave
And I'll never give myself to another	I should just let you go on and do it
The way I gave it to ya	Now I'm using like I (3) (now I'm using like I
Don't even recognize the ways you hurt me, do ya?	bleed)
It's gonna take a miracle to bring me back	It's like I checked into rehab
And you are the one to blame	And baby, you're my disease (you're my disease)
And now I feel like (ooh!)	It's like I (4) (5) rehab
You're the reason why I'm thinking	And baby, you're my disease
I don't wanna (1) on these cigarettes no more	I gotta check into rehab
I guess that's what I get for wishful thinking	'Cause baby you're my (6) (you're my
Should've never let you enter my door	disease)
Next time you wanna go on and leave	I gotta (7) into rehab
I should just let you go on and do it	'Cause baby you're my disease
'Cause now I'm using like I bleed	Now ladies gimme that
It's like I checked into rehab	(Oh oh oh ouh oh oh)
And baby, you're my disease	(Oh) now gimme that
It's like I checked into rehab	(Oh oh oh ouh oh oh)
Baby, you're my disease	(Oh) you're the reason why I'm thinking
I gotta check into rehab	I don't wanna smoke on these cigarettes no more
'Cause baby you're my disease	I guess this is what I get for wishful thinking
I've gotta check into rehab	Should've never let you enter my door
'Cause baby you're my disease	Next time you wanna go on and leave
Damn, ain't it crazy when you're love-swept	I should just let you go on and do it
You'd do anything for the one you love	'Cause now I'm using like I bleed
Cause anytime that you needed me, I'd be there	It's like I checked into rehab
Its like you were my favorite drug	And baby, you're my disease
The only problem was that you was using me	It's like I (8) into rehab
In a different way that I was using you	And baby, you're my disease
But now that I know that it's not meant to be	I gotta check (9) rehab
You gotta go, I gotta wean myself off of you	'Cause baby you're my disease
And I'll never give myself to another	I've gotta check in to rehab
