Live Your Life by T.I. & Rihanna

Live rour Life by T.I. & Killalilla
Life is an interesting journey
You never know where it will take you
The peaks and valleys
The twists and turns
You can get the surprise of (1) life
Sometimes on the way to (2) your going
You might think
"This is the worst time of my life"
But you know what?
At the end of the road
Through all the adversity
You can get to where you want it to be
If you remember that whatever don't kill you
Makes you stronger
And all the adversity will be (3) it
On your way to the top you will do anything
But how to you get your life back when you get there
Yeah, that's my dilemma!
What you need to do is be thankful
For the life that you got
You know what I'm sayin'
Stop lookin' at what you ain't got
And start bein' thankful for what you do got
Let's give it to 'em baby girl
You're gonna be a shining star
With (4) clothes and (5) cars
And (6) you'll see, you're gonna go far
'Cause everyone knows who you are
