Fill in the gaps

Slipping Away by Information Society

So i ve been thinking	So kiss me like you would kiss me	
Of the way you used to talk to me	If it were the last time	
And now it seems we never talk at all	Hold me now	
So kiss me like you would kiss me	Hold me (6) you did hold me when it was	
If it were the last time	The first time	
Hold me now	'Cause I can feel you slipping away	
Hold me like you did hold me (1) it was	And I can't (7) of (8)	to say
The first time	That will turn you around and make you stay	
'Cause I can feel you slipping away	I can feel you slipping away	
And I can't think of anything to say	Slipping away	
That will (2) you around and make you stay	'Cause I can feel you (9) away	
I can (3) you slipping away	And I can't think of anything to say	
Slipping away	That will turn you around and make you stay	
Now I can see you	I can feel you slipping away	
Talking softly on the phone again	Slipping away	
And more and more you need to be alone		
Now I make you (4) just by being near		
And even when we're (5) now we still
