Living La Vida Loca by Ricky Martin

She's into superstitions	Upside, inside out
Black cats and voodoo dolls	She's living la vida loca
I (1) a premonition	She'll push and pull you down
That girl's gonna make me fall	Living la vida loca
She's into new sensations	Her lips are devil red
New (2) in the candle light	And her skin's the color mocha
She's got a new addiction	She will wear you out
For every day and night	Living la (7) loca (alright)
She'll make you take your clothes off	Living la vida loca
And go dancing in the rain	She's living la vida loca
She'll make you live her crazy life	She'll make you take your clothes off
But she'll take (3) your pain	And go dancing in the rain
Like a bullet to your brain (come on)	She'll make you live her crazy life
Upside, inside out	But she'll take away (8) pain
She's living la (4) loca	Like a bullet to your brain (come on)
She'll push and pull you down	Upside, inside out
Living la vida loca	She's living la vida loca
Her lips are devil red	She'll push and pull you down
And her skin's the color mocha	Living la (9) loca
She (5) wear you out	Her lips are devil red
Living la vida loca (come on)	And her skin's the color mocha
Living la vida loca (come on)	She will wear you out
She's living la vida loca	Living la vida loca (come on)
Woke up in New York City	Living la vida loca (come on)
In a (6) cheap hotel	She's living la vida loca
She took my heart and she took my money	Come on
She must've slipped me a sleeping pill	(Cara la vida loca)
She never drinks the water	(Cara, cara, cara la vida loca)
Makes you order French champagne	(Cara, cara (10) la vi)
