Only tell me that you still want me here	For (7) to fall on the Sahara
When you wander off out there	Just a wish and I will cover your shoulders
To those (1) of (2) and hard winds	With veils of silk and gold
that blow	When the shadows come and darken your heart
In (3) dry white ocean alone	Leaving you with regrets so cold
Lost out in the desert	Lost out in the desert
You are lost out in the desert	If your hopes scatter like the dust across your track
To stand with you in a ring of fire	I'll be the (8) that shines on your path
I'll forget the days gone by	The sun may blind our eyes, I'll pray the skies above
I'll protect your body and guard your soul	For snow to fall on the Sahara
From mirages in your sight	If that's the only place
Lost out in the desert	Where you can leave your doubts
If your hopes scatter like the (4) across your track	I'll (9) you up and be your way out
I'll be the moon that shines on your path	And if we burn away, I'll pray the skies above
The sun may blind our eyes, I'll pray the skies above	For snow to (10) on the Sahara
For snow to fall on the Sahara	
If that's the only place	(For snow to fall on the Sahara)
Where you can (5) your doubts	
I'll hold you up and be (6) way out	
And if we burn away, I'll pray the skies above
