From mirages in your sight		The sun may blind our eyes, I'll pray the skies above
Lost out in the desert		For snow to fall on the Sahara
If your (4) scatter	like the dust across your track	If that's the only place

For snow to fall on the Sahara		And if we burn away, I'll (10) the skies above
If that's the only place		For snow to fall on the Sahara
Where you can leave your doubts
