who would have thought that you could (1) me	Anynow, I wish you both all the best
The way you've done it, so deliberate, so determined	I hope you get along
And since you have been gone	But you don't even know the meaning of the words I'm sorry
l bite my nails for days	You said you would love me until you die
And hours, and question my own questions on and on	And as far as I know you're still alive, baby
So tell me now	You don't even know the meaning of the words I'm sorry
Tell me now, why you're so far away	I'm starting to believe
When I'm still so close	It should be illegal to deceive a woman's heart
You don't even know the meaning of the words I'm sorry	You don't (5) know the meaning of the words I'm
You said you would love me (2) you die	sorry
And as far as I know you're still alive, baby	You said you (6) love me until you die
You don't even know the (3) of the words	And as far as I know you're still alive, baby
I'm sorry	You don't even know the meaning of the words I'm sorry
I'm starting to believe	I'm starting to believe
It should be illegal to deceive a woman's heart	It should be illegal to deceive a woman's heart
I (4) so hard to be attentive	Open heart, open heart
To all you wanted, always supportive, always patient	It should be (7) to deceive a woman's heart
What did I do wrong	Open heart, (8) heart
I'm wondering for days and hours	It should be illegal to deceive a woman's heart
It's clear, it isn't here where you belong
