

Fill in the gaps

I (1) go to bed with arms around me	If I don't believe in love nothing is new for me
But wake up on my own	Nothing is wrong for me
Pretend that I'm still sleeping	And nothing is real for me
'Til you go home	If I don't believe in love nothing is good for me
(Oh) I can't (2) at you this morning	If I don't believe in love nothing will last for me
I should probably have a sign	When I don't (7) in (8) nothing is
That says "leave right now or quicker"	new for me
You've overstayed your time	Nothing is wrong for me
If I don't believe in love nothing will last for me	And nothing is (9) for me
If I don't believe in love nothing is safe for me	If I don't believe in love why do you care for me?
When I don't believe in love you're too close to me	When I don't believe in love nothing is (10) for me
And that's why you have to leave	If I don't believe in love you're getting to close to me
Maybe I slept peaceful on your shoulder	That's why you have to leave
Your arm warm around my side	That's why you have to leave
But it's (3) now, it's morning	If I don't believe in love
And I can't face your smile	If I don't believe in love
The second that I feel your safe hands	If I don't believe in love
Reaching out for mine	Nothing is left for me
I slip away and out of sight	If I don't believe in love
You've overstayed your time	You're too good for me
If I (4) believe in love nothing is good for	
me	
If I don't believe in love nothing (5) (6)	
for me
