

Fill in the gaps

(1) go to bed with arms around me	If I don't believe in love nothing is new for me
But wake up on my own	Nothing is wrong for me
Pretend that I'm still sleeping	And nothing is real for me
Til you go home	If I don't believe in love nothing is good for me
(Oh) I can't look at you this morning	If I don't (5) in love nothing will last for me
should probably have a sign	When I don't (6) in love nothing is new for
That says "leave right now or quicker"	me
You've overstayed your time	Nothing is wrong for me
f I don't believe in love nothing will last for me	And nothing is (7) for me
f I don't believe in love nothing is safe for me	If I don't believe in love why do you care for me?
When I don't believe in (2) you're too close to me	When I don't believe in love (8) is real for
And that's why you have to leave	me
Maybe I slept peaceful on your shoulder	If I don't believe in love you're (9) to close
Your arm warm around my side	to me
But (3) different now, it's morning	That's why you have to leave
And I can't face your smile	That's why you have to leave
The second (4) I feel your safe hands	If I don't believe in love
Reaching out for mine	If I don't (10) in love
slip away and out of sight	If I don't believe in love
You've overstayed your time	Nothing is left for me
f I don't believe in love nothing is good for me	If I don't believe in love
f I don't believe in love nothing will last for me	You're too good for me
