

Fill in the gaps

I wanna go to bed with (1) around me	If I don't (15) in love nothing is new for me
But wake up on my own	Nothing is wrong for me
Pretend that (2) still sleeping	And nothing is real for me
Til you go home	If I don't (16) in love nothing is good for me
(Oh) I (3) look at you (4)	If I don't believe in love nothing will (17) for me
morning	When I don't (18) in love nothing is new for
I should probably have a sign	me
That (5) "leave right now or quicker"	Nothing is wrong for me
You've overstayed your time	And nothing is real for me
If I don't believe in (6) nothing will last for me	If I (19) believe in love why do you care for
If I don't believe in love nothing is safe for me	me?
When I (7) (8) in love	When I (20) believe in love nothing is real
you're too close to me	for me
And that's why you have to leave	If I don't believe in love you're getting to close to me
Maybe I slept peaceful on your shoulder	That's why you have to leave
Your arm warm around my side	That's why you have to leave
But it's different now, it's morning	If I (21) believe in love
And I can't (9) your smile	If I don't believe in love
The (10) that I feel your safe hands	If I (22) believe in love
Reaching out for mine	Nothing is (23) for me
I (11) away and out of sight	If I don't (24) in love
You've overstayed your time	You're too good for me
If I don't (12) in (13) nothing is	
good for me	
If I don't believe in love (14) will last for me
