## On My Own by Whitney Houston

## Fill in the gaps

I'm wiser now		Time for me to do it
I'm not the foolish girl you used to know		I start again, go bac
So long ago		I'm running things in
I'm stronger now		Can't stop me now,
I've (1) from my mistakes which way	to go	Don't even (5)
And I should know		There ain't no way a
I put myself aside to do it your way		I'm taking names, to
But now I need to do it all alone		Yes I'm gonna take
And I am not afraid to try it on my own		It's time for me to fir
I don't care if I'm right or wrong		Stand alone
I'll live my life the way I feel		I am not afraid to try
No matter what I'll (2) it real, you know		And I don't (6)
Time for me to do it		I'll live my (7)
On my own		No matter (8)
It's over now		It's time for me to do
I can't go back to living through your eyes		See I am not afraid
Too many lies		To try it on my own
And if you don't know by now		And I don't care if I'r
I can't go back to (3) (4)	else	I'll live my (9)
Not anymore		No matter what I wa
I never had the chance to do things my way		It's time for me to do
So now it's time for me to take control		On my own
And I am not afraid to try it on my own		On, on my own
I don't care if I'm right or wrong		
I'll live my life the way I feel		
No matter what I'm gonna keep it real, you know		

I start again, go back to one
I'm running things in my way
Can't stop me now, I've just begun
Don't even (5) about it
There ain't no way about it
I'm taking names, to what is mine
Yes I'm gonna take my turn
It's time for me to finally stand alone
Stand alone
I am not afraid to try it on my own
And I don't (6) if I'm right or wrong
I'll live my (7) the way I feel
No matter (8) I'm gonna keep it real, you know
It's time for me to do it
See I am not afraid
To try it on my own
And I don't care if I'm right or wrong
I'll live my (9) the way I feel
No matter what I wanna keep it real, you know
It's time for me to do it
On my own
On, on my own
