The Day That Never Comes by Metallica

Fill in the gaps

Take you back one day

Born to push you around Better just stay down You put away He hit's the flesh You hit the ground Mouth so full of lies Tend to black your eyes Just keep them closed Keep (1)_ ____ (2)____ keep waiting Waiting for the one The day that (3)_ __ comes When you stand up and feel the warmth But the sunshine never comes No the (4)__ _ never comes Pushed you across that line

____ down this time

Just (5)___

Hide in yourself Crawl in yourself You'll have your time God I'll make them pay

I'll end this day
I'll splatter color on this gray
Waiting for the one
The day (6) never comes
When you (7) up and feel the warmth
But the sunshine never comes
Love is a fallen word
And never spoken here
Love is a (8) word
Here in this prison
I suffer this no longer
I'll put an end to
This I swear, this I swear
The sun (9) shine
This I swear, this I swear
