

Fill in the gaps

Welcome to (1) (2)	_ stands still	Keep him tied, it makes
No one leaves and no one will		He's getting better, car
Moon is full, (3) seems to change		No more can they (10)
Just labeled (4) deranged		Listen, damn it, we will
Dream the same thing every night		They see it right, they s
I see our freedom in my sight		But they think this save
No locked doors, no (5)	barred	Sanitarium
No things to make my brain seem scarred		Leave me be
Sleep, my friend, and you will see		Sanitarium
That dream is my reality		Just leave me alone
They keep me (6) up in th	nis cage	Sanitarium
Can't they see it's why my (7)	(8)	Just leave me alone
"rage"		Fear of living on
Sanitarium		Natives getting restless
Leave me be		Mutiny in the air
Sanitarium		Got some death to do
Just leave me alone		Mirror stares back hard
Build my fear of what's out there		Kill, it's such a friendly
Cannot breathe the open air		Seems the only way
Whisper things into my brain		For reaching out again
Assuring me that I'm insane		
They think our (9) are in their hands		
But violent use brings violent plans		

Keep him tied, it makes him well getting better, can't you tell? more can they (10)_____ en, damn it, we will win y see it right, they see it well they think this saves us from our hell itarium ve me be itarium leave me alone itarium leave me alone of living on ves getting restless now iny in the air some death to do or stares back hard it's such a friendly word ms the only way
