

Fill in the gaps

I can still taste you on my lips	You made me feel, you understand
Your tenderness	With you I won't be, a better man
You (1) gave me something	(You give me the demon to love you)
The way you made me feel	Got too many reasons why I can't
Before you left	(You give me the demon to meet)
See you're jading me, dazing me	Oh Lord, you picked me up so many times
And I just wasn't ready	But now you just (9) my soul
Cash on, walk out on today	No more, I (10) to stop loving you
Oh Lord, (2) you always (3) me	But I don't really have control
wanting	Oh Lord, no matter how hard I try
(Oh) let me go, you let me down	I (11) end up on this road
When I'm (4) you, I'm broken now	(Oh)
You made me feel, you understand	(Oh) still you (12) keep me wanting
With you I won't be, a (5) man	(Oh) let me go, you let me down
(You give me the demon to love you)	When I'm (13) you, I'm (14) now
Got too many (6) why I can't	You made me feel, you understand
(You give me the (7) to meet)	With you I won't be, a better man
Only this time it seems, they've always been	(You give me the demon to (15) you)
The (8) place for hiding	Got too (16) reasons why I can't
People love to say, I'm blind to see	(You give me the demon to meet)
I can face it, I will stay	(You give me the demon to (17) you)
And you know I ever speak it	Every single reasons why I'm back
And that's all I ever need	(You give me the demon to meet)
Oh Lord, still you always keep me wanting	
(Oh) let me go, you let me down	
When I'm with you, I'm broken now
